Guide for Reasonable, Allowable & Necessary (RAN) Items

NOTES:

- In reviewing the information below please remember that any “not allowable” item listed below that an MEP District program wants to pay for using private dollars (contributions from collaborative partners, private donations, fund raisers, etc.) is allowable and encouraged.
- For all allowable and borderline Items remember that you need to assess if there are other sources that can provide the items or funding for the items and document that you have done this assessment.
- Generally, items listed below relate to materials that may potentially be provided to **migrant** children, families and/or Out-of-School Youth (OSY) that demonstrate a need.

1. "Need" is determined on a case-by-case basis.

For items in blue and * – ONLY one bag would be allowed IF it contained educational materials.

** Wi-Fi cards for student educational use allowable under following conditions:

- (1) Student demonstrates need for card and no other comparable service available.
- (2) Student not provided the Wi-Fi card password/access code.
- (3) Appropriate website filters enabled.
- (4) Student/parent sign consent for use.
- (5) Check-out/check-in log for Wi-Fi card and laptop/computer maintained.
- (6) The card must be returned to MEP.
- (7) Laptop/computer provided is password-protected.

NOTE: Air cards must be FMEP approved prior to purchase.
