

**1<sup>st</sup> Quarter Subsequent Moves Training Module  
Scenario Handout - September 2023**

Use the following scenario to answer the questions below.

Lucia and her two school age children arrive in Mulberry, Florida on 09/02/2022 after hearing of employment opportunities in the hotel industry. She applies a few days after her arrival but never hears back from the company. Lucia starts work in the watermelon fields (picking watermelon) on 12/02/2022. Before Florida, Lucia and her family had arrived in Lexington, Kentucky from Dallas, Texas on 05/16/2022 where she started planting tobacco on 06/01/2022. You interview the family on 10/03/2023.

1. What is the EWD?
2. What qualifying move information is documented in Section III, #4-6 of the COE?
3. What is the QAD?
4. What qualifying move information is documented in Section III, # 1-3 of the COE?
5. What is the residency date?

Use the following scenario to answer the questions below.

Juan Carlos, his wife and three school age children return to Homestead, Florida on 07/01/2023 after his job ended in Michigan. The family had been in Michigan since 05/01/2023, where they initially arrive to work in the blueberry harvest, but the farm was not hiring additional workers, so dad ends up working at a restaurant. Previously, Juan Carlos was in Steele, Alabama where he planted tomatoes soon after the move from Homestead, Florida on 06/02/2022. Mom and the children joined him in Steele, Alabama from Homestead, Florida on 06/13/2022. You interview the family on 10/03/2023.

6. What is the EWD?
7. What qualifying move information is documented in Section III, #4-6 of the COE?
8. What is the QAD?
9. What qualifying move information is documented in Section III, # 1-3 of the COE?
10. What is the residency date?

**1<sup>st</sup> Quarter Subsequent Moves Training Module  
Scenario Handout - September 2023**

Use the following scenario to answer the questions below.

Herlinda and her three school age boys arrived in Tampa, Florida on 09/01/2023 where she looked for work in the tomato fields. Unable to obtain the work, she starts working at a grocery store. Before their move to Florida, Herlinda lived in Warren, Vermont where she worked on a dairy farm. She arrived in Vermont from Lafayette, Louisiana on 12/12/2020 and started milking cows on 01/05/2021. She milked for 6 months before her contract was terminated. She then reapplied on 01/30/2021 and remained employed until she moved to Florida in 2023. You interview the family on 10/03/2023.

11. What is the EWD?
12. What qualifying move information is documented in Section III, #4-6 of the COE?
13. What is the QAD?
14. What qualifying move information is documented in Section III, # 1-3 of the COE?
15. If the children do not move again, when will MEP eligibility end for the children?
